

FOR IMMEDIATE RELEASE:

Frank Cotroneo
Former CFO of MasterCard and H&R Block
Has Joined The Advisory Board
Of Mobile Currency, LLC

KANSAS CITY- July 26, 2016- Mobile Currency, LLC is proud to announce that Frank Cotroneo, former CFO of MasterCard and H&R Block has joined the advisory board of the company. Mr. Cotroneo joins the company during an exciting period of significant advancements and product roll-outs.

Mobile Currency has just launched a beta version of their patented mobile wallet with Visa prepaid integration.

Howard Gerson CEO and founder of Mobile Currency said, "I have known Frank for fifteen years and am excited that he will now take an active role in the company. Frank's background as the former CFO of Mastercard and the CFO of H&R Block speak volumes about his vast knowledge and experience of the payments and financial transaction processing space."

As an advisory board member, Mr. Cotroneo will be involved in multiple areas of the company providing direction and engaging relationships that will further seat Mobile Currency as an emerging Fintech leader. "I have followed Howard Gerson and his team for a long time, they continue to innovate and lead. I am excited to be involved with the company and participate in their growth," said Frank Cotroneo.

About Mobile Currency:

Since 2003 the Mobile Currency team has engineered mobile transaction processing platforms that enable secure mobile wallet transactions through comprehensive Android, iOS and SMS text messaging applications. The Kansas City based company has a patented technology that enables a secure processing environment for merchants and consumers. Additional information may be found at www.mobile-currency.com
